

## Model: DS-10M2

**Scanner:** Scans in one second, the captured image can be in true color or in black & white.

**Copier:** Captured document can be printed out via any printer.

**Video record:** Records the progress of any operation or demo for real-time display.

**Camera:** Photograph view by manual scan or timing intervals.

**Visual presenter:** It can be used with a projector or interactive whiteboard to project physical objects.

**Auto scan:** Automatically scans after set intervals saving a significant amount of time with a large number of files.

**OCR Function:** Optical character recognition function is available in our Software Development Kit.

**E-mail:** It can send out the captured images directly to email address from the device's interface.

**Video communication:** It can be taken as a video device, which always presents sharp and clean video for video chats or meetings.

**Multi-page PDF conservation:** Converts scanned images to multi-page PDF files, which can be read in a variety of equipment.

## Key Features of the DS-10M2

**Two USB Host:** Offers two (2) USB Host port extensions for 2 external peripherals.

**Speedy:** One-click scans within 1 second.

**High definition image:** 10 million pixels sensor captures distortion-free images and provides better clarity.

**Web Cam Holder:** Adjustable web cam holder allow to securely attach an external Logitech webcam for face capture applications.

**Portable and compact:** Portable and compact design for easy carry.

**OCR:** Premium OCR accuracy with 98% recognition rate and more than 180 languages supported and powerful document management.

**Versatile:** Powerful software with multi-functions: fastest scanning, timer shooting, video recording, PDF conversation, print, fax, email and more.

## Technical Specifications:

Image Sensor	10 MP HD CMOS Active Pixels Digital Image Sensor
Resolution	3264 by 2448 pixels
Supported Resolutions	320X240,640X480,800X600,1280X1024,1600X1200,2048X1536,2592X1944
Light Source	Integrated white LED or ambient light
Capture Size	A3 / A4 / A5, business card
Focus	Manual focus
Zoom	10x Digital zoom
Image Output	Black and white, greyscale or color
Image Adjustment	Color (R/G/B) and Brightness Adjustment, Gamma Correction, Hue, Exposure, Sharpness Adjustment and Gain Control
White Balance	Automatic
Image Process	Zoom, rotate, mirror, rectangle select, cut, auto-cropping, create PDF, and OCR
File Formats	JPEG, BMP, PNG, TIF, PDF, Word, Excel, TIFF
Customized Application	SDK, API and Twain driver
Power Requirement	(5V) USB powered, no external power required
Communication Interface	USB 2.0 UVC
Operating System	Windows XP (32&64 bit); Windows Vista (32&64 bit); Windows 7 (32&64 bit), Windows 8, 8.1, Windows 10
System Requirements	1GHz Pentium, 512MB RAM, USB 2.0 port, CD-ROM Drive
Package Contents	CD-ROM, Manual, USB 2.0 cable, Scan mat.
